

Individual (Virtual) Fundraisers

Great for birthday donations, special celebrations, or just a chance to raise support for your favorite organization, Individual fundraising pages are easy to create and share with your friends and family. Below are screen shots of what you will see through the of the 'Start Your Campaign' with the Individual Fundraiser on our Fenly homepage

<https://chestercountyfoodbank.fenly.org>

Step 1

1. **Basic Information**

Name of Your Individual Fundraising Page *

Custom URL *

<https://chestercountyfoodbank.fenly.org/drive/>

Next

2. **Fundraising Goal**

3. **Image and Description**

Individual (Virtual) Fundraisers

Step 2

> 1. Basic Information

∨ 2. Fundraising Goal

Set a Personal Fundraising Goal *

\$

*Set a fundraising goal for yourself. If you join a team, this amount will go towards your team's goal
This individual fundraiser is always open (no start/end date).*

Next

Step 3

∨ 3. Image and Description

Short Description for Your Individual Fundraising Page

It's generally best to keep this to a few sentences.

Profile Image

No file chosen

*This image will be cropped to 200 x 200 pixels.
It is recommended you upload a square image for best results.*

Current Profile Image

No image uploaded.

Save and Close

Once you complete the steps you just share the custom URL that you created in step 1 with your friends and family inviting them to join your fundraiser. You will receive an email as well with the information.
